Tour de Cure Grant EOI 2026-2027

Tour de Cure meets its objectives by supporting initiatives in the areas of cancer research, support and prevention, taking us closer to curing cancer. TDC is cancer agnostic and believes every form of cancer deserves to be beaten. We consider all applications for research, support and prevention that investigate any form of cancer to support the best projects and researchers in Australia.

TDC Grant Process -

- Submission of EOI application, 1st - 21st August 2026
- Confirmation for advancement to Full Grant application requested on 9th - 24th October 2026 for Stage 2 assessment application.
- Successful Grantees to be notified in from Mid December 2026 and Funding Agreements sent out
- Funding Agreement and Invoice due 16th February 2027.
- Grant paid March/April 2027.
- Receipt on payment.

Multiple Submissions in Grant Categories

There is a limit to the number of submissions an Eligible Organisation or Applicant Body can make. We ask that **NO MORE than TWO** applications **per grant category** (whether or not the application is submitted by an intermediary foundation or body) and **ONE** application per **Chief Investigator** (CI). *Except for the PhD Scholarship.*

Full grant application will be requested on 9th - 24th October 2026 for Round 2 assessment for advancing applicants. Successful Grantees to be notified in December 2026, with payment made from March 2027.

Please review Tour de Cure Grant Guidelines for more information (dated 10th July 2025).

All grant applications need to comply with the Tour de Cure Grant Guidelines [Tour de Cure Grant Guidelines](#)

The **Invite Only** category, as it states, you will be invited to apply for this specific grant by TDC. This will be linked to our Gala events or specific Tour or a one-off grant

Applicants Grant Type *

- ☐ Early Career Research Grants (0-5 years post PhD): Up to \$100,000.
- ☐ Postgraduate Research Students, PhD Scholarship: Up to \$10,000.
- ☐ Prof Richard Scolyer Award for Brain Cancer Research - Senior Researchers: Up to \$200,000.
- ☐ Prof Richard Scolyer Award for Brain Cancer Research - Mid-Career Researchers: Up to \$200,000.
- ☐ Prof Richard Scolyer Award for Brain Cancer Research - Early Researchers: Up to \$200,000.
- ☐ Invite Only

Please tick one box only and indicate which type of grant you are applying for. NOTE: Only 2 grant applications per category per eligible organisation and Only 2 grant application per body/institute for the Scolyer Brain Cancer Grant regardless of researchers level of expertise. Similar types of applications are not to be submitted in other categories.

By Invitation Only - Specific Tour or Event Grant

These grant applications are by invitation only and are linked to specific tours or gala events throughout the year.

Specific Tour or Event Grant - Invite Only

- ☐ Gala - Research Grant (by Invite only)
- ☐ State Discovery Ride/Tour - Research Grant (by Invite only)
- ☐ Corporate Event Grant - Research or Support/Prevention Grant (by Invite only)

Please tick only if you have been Invited to apply. (This is for a supported grant and for internal TDC information)

Tour or Event Grant Allocation - Invite Only

- ☐ SA Discovery Tour
- ☐ Vic Discovery Tour
- ☐ Woolies Wheels and Walk
- ☐ Snow Ball - Sydney
- ☐ Spring Lunch - Sydney
- ☐ Long Lunch - Brisbane
- ☐ Treasures Ball - Melbourne
- ☐ Soiree For a Cure - Brisbane
- ☐ Other:

Please tick only if you have been Invited to apply. (This is for a supported grant and for internal TDC information)

Type of Grant - Invite Only

- ☐ Senior Research Grant : Up to \$200,000.

Tour de Cure EOI New Grant Application 2026-2027

Form Preview

- ☐ Mid Career Research Grants: Up to \$100,000
- ☐ Early Research Grant: Up to \$100,000
- ☐ Early Identification Research Grant - Screening/Diagnostics: Up to \$100,000.
- ☐ Prevention Grant: Up to \$50,000

Please tick only one box to indicate which type of grant you are applying for. Similar types of applications are not to be submitted in other categories - 3 grant applications each category from individual organisations or institute.

Applicant Information

* indicates a required field

ABN

The ABN provided will be used to look up the following information. Click Lookup above to check that you have entered the ABN correctly.

Information from the Australian Business Register	
ABN	
Entity Name	
ABN Status	
Entity Type	
Goods & Services Tax (GST)	
DGR Endorsed	
ATO Charity Type	More information
ACNC Registration	
Tax Concessions	
Main Business Location	

Must be an ABN.

Applicant Body Name

Organisation Name

Applicant Body Address

Address

Must be an Australian Address.

Applicant Body State

Please tick the State in Australia you are from.

Applicant Body Primary Phone Number

Applicant Body Primary Email

Must be an email address.

Eligibility Check

Eligibility Checklist *

- ☐ Applicant (Organisation) is a DGR Endorsed Item 1 Charity
- ☐ Applicant consents to share the information provided with TdC Grants Committee and an independent panel of experts.
- ☐ Chief Investigator is an Australian citizen or permanent resident at closing date of this EOI.
- ☐ Other:

The CI must be an Australian citizen or permanent resident to apply for this grant. Information is shared by the TDC Grant Committee as part of the formal review process, they are an independent panel of experts.

Conflict of Interest Declaration *

- ☐ I DO NOT have a conflict of interest
- ☐ I DO have a conflict of interest

If you have a conflict of Interest please email joscelyn.kevan@tourdecure.com.au with statement outline.

Support from Eligible Organisation for PhD Applicant only.

A Letter of Support is required for **all** PhD Postgraduate Research Students for the EOI application. Confirmation that the organisation supports your studies and meets our residency requirements

- Basis of support for the candidate
- Basis of support for the proposed project
- Confirmation that the Applicant has a scholarship in place

Please Note - A letter of support will be requested for all successful applicants in Round Two.

Please upload 'Letter of Support' from Eligible Organisation.

Please give an estimated date of completion or timeframe.

Research Team Information

* indicates a required field

Chief Investigator

Chief Investigator *

Title First Name Last Name

----------------------	----------------------	----------------------

School and Faculty / University / Medical Research Institute / Organisation *

Chief Investigator Position *

Chief Investigator Area of Expertise

For example, medical imaging research, clinical haematologist, oncologist, clinician researcher, clinical trial design.

Chief Investigator Phone Number *

Must be an Australian phone number.

Chief Investigator Mobile Phone Number

Must be an Australian phone number.

Chief Investigator Email *

Must be an email address.

ORCID Reference

Must be a URL.

Name and link. Example - Jane Smith <https://orcid.org/0000-1112-1666-1111>

External Funding -Please list all external funding you have received in the past five years, including the source (funder), chief investigator, grant title, amount, and duration.

Please list your level of awarded funding

Chief Investigator Career Outline

Please provide a two-page NHMRC-style Career Outline CV including: • Career Summary • Overall Track Record including: Publications Funding Awards and Prizes Professional Activities Mentorship Example of Impact of Previous Research

Please upload Chief Investigator Career Outline

Attach a file:

This is required by all Chief Investigators only - Please submit a two-page NHMRC-style CV. Failure to submit CV will render the application ineligible. Not a requirement for a Support Grant Application. Example [here](#)

PhD Award Date *

Must be a date.

For a relevant date for time parameters on grant categories.

Career Disruption, list if any.

If there has been any career disruptions, please list what was the disruption and the duration.

Research Team

Please list all other researchers that will be working on this project. (For Support Grants put your 'Key' contacts on the project as your *research team* members if needed)

Must be no more than 300 words.

Supporting Documents

Attach a file:

Please upload any supporting documents. Only if needed but not required.

Project Funding and Budget

The funding costs and research budget will be requested in Round Two, with the Full Grant Application if successful.

Please indicate the funding requested for this grant.

Total Project Cost

Must be a dollar amount.

What is the total budgeted cost (dollars) of your project?

Project Category

* indicates a required field

How is this project categorised with respect to the Common Scientific Outline Classification *

- ☐ Biology
- ☐ Etiology
- ☐ Prevention
- ☐ Early Detection, Diagnosis and Prognosis
- ☐ Treatment
- ☐ Cancer Control, Survivorship and Outcomes Research

Please see the International Cancer Research Partnership website for more information <https://www.icrpartnership.org/cso>

Translational Cancer Research Categories

- ☐ T0 - Research includes basic biomedical research, including preclinical and animal studies. This type of research does not include interventions with human subjects.
- ☐ T1 - Involves processes that bring ideas from basic research through early testing in humans.
- ☐ T2 - Involves the establishment of effectiveness in humans and clinical guidelines.
- ☐ T3 - Primarily focuses on implementation and dissemination research for system wide change
- ☐ T4 - Focuses on outcomes and effectiveness in populations.
